THE VOICE OF STAKEHOLDERS

MODERATOR

ROBERT MADELIN

Chairman

ORGANISATION

Fipra International Ltd

BIOGRAPHY

Robert is the Chairman of Fipra International Ltd, and a Visiting Research Fellow at the University of Oxford's Centre for Technology and Global Affairs.

Previously (2004-16) Robert was a senior leader at the European Commission: as Senior Adviser for Innovation, as Director General for Communications Networks, Content and Technology (CONNECT) and as Director General for Health and Consumer Policy (SANCO).

Robert was also a negotiator for 20 years in international trade and investment, first for the UK, and then for the EU: Robert served notably in the Cabinet of European Commission Vice-President Leon Brittan. Robert studied at Magdalen College (1976-9) and at the French Civil Service College (ENA). He is an Honorary Doctor of the University of Edinburgh and an Honorary Fellow of the Royal College of Physicians of London. Robert is the author of 'Opportunity Now: Europe's mission to innovate' (2016).

WELCOME AND INTRODUCTION

HANS VANDEWYNGAERDE

COCIR Board member and Digital Health Lead; President Agfa HealthCare EMEA

ORGANISATION

COCIR / Agfa Healthcare

BIOGRAPHY

Mr. Hans Vandewyngaerde holds his current position of President Agfa HealthCare EMEA (Europe Middle East and Africa) since 2009. Since 2004, when he joined AGFA Healthcare, he occupied several General Management functions in France, UK, Belgium, The Netherlands, Nordics, Italy, Spain and Agfa Healthcare IT Sales worldwide in 2008. He also was President of the AGFA HCIS division, managing AGFA's Electronic Medical Record portfolio, between 2014 and 2015. He is chairman of the board and board member of several AGFA Healthcare legal entities. Hans is also responsible within Agfa for the global business of integrated care and the competence centre dealing with Big Data and Business Analytics.

Hans Vandewyngaerde holds several university degrees: Masters of Science in Electrical Engineering (EEE), a master's degree in Informatics and an Executive MBA. During his professional career, he became specialised in Medical and Hospital Management and in Hospital IT management and IT services management. Alongside his Agfa HealthCare EMEA presidency, Hans holds also several external Board Memberships, was until earlier this year Chairman of HIMSS Europe, and is also co-founder and Board Member of IHE-NL.

KEYNOTE MORNING OPENING

DIGITAL HEALTH AND A DIGITAL SOCIETY: EUROPE IN 2030

NICK GOODWIN

Chief Executive Officer

ORGANISATION

International Foundation for Integrated Care

BIOGRAPHY

Nick is co-Founder and CEO of the International Foundation for Integrated Care (IFIC), a not-for-profit membership-based foundation dedicated to improving the science knowledge and adoption of integrated care in policy and practice across the World (www.integratedcarefoundation.org).

Nick is the co-Editor-in-Chief of its open-access and impact rated scientific periodical the International Journal of Integrated Care (www.ijic.org). Nick also holds a range of research, educational and consultation roles worldwide.

Nick works as an expert advisor and consultant to national governments and international organisations including the World Bank, Inter-American Development Bank and the World Health Organisation. In 2017 Nick was appointed to WHO Europe's Primary Health Care Advisory Group, examining the future of PHC ahead of the 40th Anniversary of the Alma-Ata Declaration in September 2018. Nick continues to actively support the WHO's work on people-centred and integrated health services. In January 2016, Nick received the Avedis Donabedian International Award for his contribution to Healthcare Excellence.

PANEL DEBATE 1

SCALING UP DIGITAL HEALTH

KEVIN MASSOUDI

COCIR Lead member in Digital Health and Product Manager EMEA at Varian

ORGANISATION

COCIR / Varian

BIOGRAPHY

Kevin is currently leading Varian's product and marketing activities in digital health across EMEA in addition to global responsibilities for digital strategy.

Since attending Imperial College Business school in London Kevin has held several strategic roles managing medical technology innovation in surgery and peri-operative care in and with leading medical device companies. In addition to speaking engagements as a subject matter expert in technology innovation, he has founded several technology startups and consulted on digital health both for and with many of the major global medical device companies.

As a qualified medical doctor and self-professed technology addict, having lived and worked in the USA, Australia, Africa and Europe, Kevin has a global view of healthcare and a passion for digital health. He now lives in Geneva with his wife and daughters.

PANEL DEBATE 2

SHARING DATA, COLLABORATING AND COORDINATING ACROSS THE CONTINUUM OF CARE

NICOLA BEDLINGTON

Secretary General

ORGANISATION

European Patients' Forum

BIOGRAPHY

Nicola was the founding Director of the European Disability Forum (1996 to 1999), and prior to this she worked as an expert for the European Commission, heading the NGO unit within the HELIOS Programme promoting equal opportunities for disabled people (1991-1996).

From 2004 to 2006, she worked for the Swiss Government, leading the Environment and Schools Initiatives Secretariat (ENSI), a network set up by OECD in the field of Education for Sustainable Development (ESD).

Nicola joined the European Patients' Forum as its first Executive Director in June 2006 establishing the secretariat in Brussels, and became Secretary-General in October 2014. Under her leadership the organisation has grown to almost 70 umbrella patient organisations covering the spectrum of disease areas. Nicola was the Co-ordinator of the European Patient Academy on Therapeutic Innovation (EUPATI), which has now become an EPF programme. She is also a co-founder of the Patient Access Partnership, the chair of the Patient Advisory Group for the European Society of Radiology, a member of the European Health Forum Gastein Advisory Board and co-chairs the EFPIA Patient Think Tank and the Patient Medtech Dialogue.

PANEL DEBATE 2

SHARING DATA, COLLABORATING AND COORDINATING ACROSS THE CONTINUUM OF CARE

DR WENDY YARED

Director

ORGANISATION

European Cancer Leagues (ECL)

BIOGRAPHY

Dr Wendy Yared is the Director of the Association of European Cancer Leagues (ECL), a pan-European alliance of national and regional cancer leagues created in 1980. ECL's member leagues provide advice, support and other services in cancer control in 23 countries (as of 2017), to a total of 489 million European citizens. ECL's vision is for a Europe Free of Cancers. The mission of the European Cancer Leagues is to influence and improve cancer control and cancer care in Europe through collaboration between its members in their fight against cancer, and to influence EU and pan-European policies. Dr Yared has been a member of the European Commission's Expert Group on Cancer Control, represents ECL in EU Joint Actions on cancer, and participates in various EU discussions and platforms related to cancer prevention and health promotion.

Dr Yared has over 25 years' experience in public health and health policy. Her previous professional roles include being the programme manager for regional health policy at the World Health Organization; consultant for the European Parliament; and leader on projects for the United States Public Health Service. A dual EU-USA national, her academic degrees are a Doctor of Public Health in International Health Systems from Johns Hopkins, and a Master of Public Health in Health Policy from UC Berkeley, USA. She has authored numerous articles on public health and cancer policies.

PANEL DEBATE 2

SHARING DATA, COLLABORATING AND COORDINATING ACROSS THE CONTINUUM OF CARE

CAROLE ABSIL

Business Group Leader Markets

ORGANISATION

Agoria

BIOGRAPHY

Carole Absil is an economist by training, graduated from the Université Libre de Bruxelles and Katholieke Universiteit Leuven, where she specialized in health econometrics.

Passion, dedication & technology are her leitmotifs. It is in this sense that she has created various initiatives, like the eHealth Awards, within the Belgian federation of the technological industry, Agoria, for which she has been working for 11 years. Within the federation, she manages the community of companies active in medical technologies.

Proud of Belgian technological innovations and through her actions, she helps companies to develop in an environment that is more favorable to them, from the regulatory point of view for example, or to position themselves in foreign markets.

PANEL DEBATE 2

SHARING DATA, COLLABORATING AND COORDINATING ACROSS THE CONTINUUM OF CARE

JOOST FELIX

COCIR Lead member in Digital Health and Global Head of Integrated Care Solutions at Agfa HealthCare

ORGANISATION

COCIR / Agfa Healthcare

BIOGRAPHY

Joost Felix is the Global Head of Integrated Care Solutions at Agfa HealthCare.

Prior to this Joost held multiple entrepreneurial roles in Agfa HealthCare, including leading product management and product marketing positions for Enterprise Imaging and Electronic Medical Records.

Common in all of these activities is the desire to make changes and improvements to products, processes and organization. Focus during all of his activities is on improving healthcare through technology with a large focus on impacts on patients.

KEYNOTE AFTERNOON OPENING

PARTNERSHIP AND COOPERATION IN THE FIELD OF eHEALTH
